## **EXCEPTIONAL PATIENT CARE**

The Missouri Poison Center at SSM Health Cardinal Glennon Children's Hospital is accredited by the American Association of Poison Control Centers and is the sole poison center serving all of Missouri. You can reach us by calling 1-800-222-1222. Calls are free and confidential.

The pharmacists and nurses answering your phone call are certified as specialists in poison information, which means you're receiving immediate expert medical advice when you call. These medical experts are back 24 hours/day by a doctor who is a board certified medical toxicologist.

Winner of the American Association of Poison Control Center 2018 Innovative Award.
